Whereas, House bill No. 91 has been referred to the Sullivan county delegation, said bill providing for the reduction of the salary of the Treasurer of Sullivan county from two hundred dollars to fifty dollars per annum;

Resolved, that the present salary is not excessive for the work and responsibility of the Treasurer when he performs the duties of the office.

Resolved, that we disapprove the recent practice under which the Treasurer's accounts are kept, and his bond furnished, by the banks or officers of banks in which the county funds are deposited.

Resolved, that we do not recommend the reduction of the Treasurer's salary, provided he performs his duties; but we urge and the public should insist that in consideration for the salary, he should keep his accounts and furnish his bond independently of the banks in which he deposits his funds.

Commissioners' Report

To the Citizens of Sullivan County:

Herewith is presented the annual report of the county commissioners for the fiscal year ending Dec. 31, 1909, together with the reports of the officers of the county, as required by the laws of the state.

The management of the county farm and almshouse are still under the efficent care of Mr. and Mrs. O. A. Putnam, who have both demonstrated a peculiar fitness for the position they occupy, and have done all in their power to relieve the distresses and provide for the wants of all those committed to their charge.

The report of the Superintendent will show that the average cost of supporting the inmates at the farm the past year, has been about $2.30 per week, which includes board, clothing and medical attendance.

The amount paid out by the commissioners for support and expenses of the poor away from the farm has been as follows:

Dependent soldiers in towns,	$2,161 88
Paupers in towns,	9,570 62
Children in families,	849 22
Children in homes,	975 82
Miscellaneous expense for paupers and soldiers not at farm,	509 08

The county convention voted an appropriation for installing an electric lighting system at the farm.

After carefully considering the question it was thought to be more advantageous for the county to obtain the current from the Claremont Power Company, rather than to install and maintain an independent system at the farm.

Consequently an agreement was made with the Claremont Power Company whereby the county owns the line from Claremont village to the farm, and the company furnishes the current for lights and power at regular meter rates.

The system consists of 120 inside lights conveniently located throughout the cottage, almshouse, hospital, laundry, barns, and storehouses, and five 32 candle power lights outside of buildings. This arrangement has proved very convenient and satisfactory.

Some outlay has been made in the shape of concreting, etc., at the jail and court house in Newport. At present our county buildings are in good repair and furnished with modern conveniences.

We thank the citizens of the county for their assistance and support rendered in the discharge of our various duties.

Respectfully submitted,

HENRY C. SANDERS, }
SUMNER N. BALL, } Commissioners of
GEORGE W. BUSS, } Sullivan County.

Superintendent's Report

To the Honorable Board of Commissioners:

I hereby submit my annual report of the year 1909.

I have attended to the duties of Superintendent to the best of my ability.

The lighting of the buildings by electricity during the past summer has been a great improvement to the institution, both to the comfort of the inmates and those having them in charge.

During the year but five deaths have occurred, and the general health of all is good.

The holidays that have occurred have been made pleasant occasions for the inmates, especially that of Christmas, when they enjoyed a nice tree laden with presents given by those wishing to make the occasion a bright and happy one. Exercises were given by the Sunday school and Chaplain C. T. Mathews, who is always willing to help for the comfort of all.

The ladies of Claremont and Newport have made their annual visits and contributed to the happiness and comfort of the inmates, for which we extend our thanks, also chaplain, physician, commissioners and all who in any way aided us in making the lives of those committed to our charge more cheerful and happy.

Respectfully submitted,

OLIVER A. PUTNAM.

Physician's Report

To the Commissioners of Sullivan County:

In accordance with custom I herewith submit my report as Physician to Sullivan county almshouse for the year ending December 31, 1909:

There has been a very small amount of sickness among the inmates during the year, and we doubt very much if so large a number of aged and infirm people could be kept in so good a degree of health if cared for in private families. Too much cannot be said in favor of the sanitary conditions as they now prevail at the farm; the water supply is pure and abundant; the buildings are connected with an adequate sewer; the floors, household furnishings and clothing are kept scrupulously clean; and this with well cooked, wholesome food, which is always supplied in abundance, helps to bring about a general condition of good health.

This year the buildings, including the barns, have been wired and are now lighted by electricity. By thus doing away with lamps a great improvement has been made both for convenience and safety from fire.

There have been five deaths, four due to some chronic disease and one accidental. The inmates, although perhaps not always pleased with their lot, have only words of praise for the officers in charge and a general state of happiness prevails.

Respectfully submitted,

EMERY M. FITCH, M. D.

Claremont, N. H., Dec. 31, 1909.

Chaplain's Report

North Charlestown, N. H., Feb. 1, 1910.

To the Honorable Board of Commissioners of Sullivan County:

Gentlemen:—

I have attended to my duties as Chaplain during the year, holding services once in two weeks, preaching the gospel of comfort and consolation. The services have been well attended and much appreciated.

I have attended two funerals during the year.

The Commissioners have the best interests of the institution at heart and are doing all in their power to make it a place of comfort and convenience for the inmates.

Christmas exercises were held and much enjoyed by all present.

The Superintendent and wife, Mr. and Mrs. O. A. Putnam, are certainly the right people for the place. They and their able assistants are doing everything for the physical and spiritual welfare of those in their care.

I have been kindly and courteously treated by everyone connected with the institution, for which I am profoundly grateful.

Respectfully submitted,

REV. C. T. MATTHEWS,

North Charlestown, N. H.

Solicitor's Report

From December 31, 1908, to April 1, 1909

During my unexpired term from Dec. 31, 1908, to April 1, 1909, no cases of any kind were prosecuted by me in behalf of the county, and no fines, costs or moneys belonging to the county were paid to me during this period.

At the expiration of my term of office no civil cases were pending in which the county was a party, and the criminal docket was clear of all cases so far as prosecutions are concerned.

Respectfully submitted,

F. O. CHELLIS, Solicitor.

From April 1st to December 31st, 1909, 30 criminal prosecutions were instituted for the following offenses, viz:

Twelve for violation of liquor laws, resulting in one indictment filed; one escape to parts unknown; two paid fine and costs of prosecution for first offense; one jail sentence; one trial by jury and acquittal; five searches, nothing found; and one, a woman, allowed to leave town.

Three violations of Sunday laws—all paid fine and costs.

Six assaults—two discharged; two paid fine and costs; one escape; and one bound over.

One adultery—no indictment found.

One abandonment of child.

One threatening letter—sent to federal prison at Atlanta, Ga.

Ten juvenile offenders, subject of three complaints —put under care of probation officer.

One larceny—three years at industrial school.

One bawdy house keeper—allowed to leave town.

One false pretenses—discharged.

These crimes and offenses were committed in the towns of Claremont, Acworth, Newport, Charlestown, Cornish and Unity.

One indictment was found at the May term and filed, and the docket cleared of all continued cases.

Two indictments were found at the November term. One was filed, and the other, a liquor case, tried and acquitted.

No civil suits in which the county is a party are pending, and no fines, costs or other moneys belonging to the county have been paid to me as the statute provides.

The difficulty of enforcing the liquor laws is notorious and conceded. This condition will continue until the preponderance of public sentiment gives its support and cooperation for their enforcement. When juries will act on their convictions unbiased by fear or favor, and when the community from which they are drawn will support and endorse that action, then and not till then can the laws hope to be enforced and vindicated.

F. H. BROWN, Solicitor.

Claremont, N. H., Dec. 31st, 1909.
